SMITHSONIAN INSTITUTION
BUREAU OF AMERICAN ETHNOLOGY

**CIRCULAR OF INFORMATION REGARDING INDIAN POPULAR
NAMES**

This bureau is in receipt of numerous requests for Indian names suitable for use by Camp Fire Girls and as camp names, and often for the translation into one or more of the many Indian languages of English expressions involving concepts wholly foreign to the Indian mode of thought. It is impossible for the bureau to devote the time and to meet the expense of special research incident to questions of this kind.

Appended is a selection of simplified Indian names designed to meet most of the requests received. The pronunciation of these names is as follows: *a* as in father; *â* as in law; *e* as *a* in hate; *i* as in machine; *ai* as in aisle; *u* as in rule. Short vowels are indicated in the customary manner (ă, ě, ĩ, ō, ŭ); ñ is nasalized, as in drink. The consonants are as in English.
